

April 25, 2018

For nineteen years the women of the Cataraqi Golf & Country Club have organized a charity golf tournament “The Rose of Hope” to raise money to benefit cancer patients in Eastern Ontario. Over the years the tournament has evolved and we have been able to donate over **\$1.5 million** to our local community.

This July 31, we will be celebrating our 20th Anniversary and we are embarking on an ambitious five year pledge that will support Breast Cancer Care at the Kingston Health Sciences Centre.

A number of years ago, we introduced new levels of sponsorship and the accompanying sheet will outline several options to support “The Rose of Hope” tournament. We ask that you review the sponsorship opportunities and seriously consider participating in a cause that will benefit those affected by cancer in our community. Your donation will ensure that this worthwhile event can continue. We are very grateful to our donors; companies and individuals are widely acknowledged prior to, during and after the event.

A member of the Rose of Hope Committee will be contacting you in the next few weeks to discuss your potential or ongoing participation in our project. Thank you for considering “The Rose of Hope Tournament”.

Your donation will make a substantial difference.

Sincerely,

Sherri McCullough  
Chair Rose of Hope
